PRODUCT CATEGORIES

Industrial supplies for your business

RI.TECNOLOGIE INDUSTRIALI

1. **Chemical Products** CORE BUSINESS
   Certified specialty chemicals, adhesives, sealants, lubricants, degreasers, threadlockers, protectants, greases

2. **Raw Materials & Thermoplastics** CORE BUSINESS
   Raw materials, engineering plastics, polymers, nylon, PVC, polypropylene, Lexan, Plexiglas, Polyzene, polyurethanes, PTFE, silicones

3. **Electronics**
   Electronic components (active, passive, obsolete parts), board devices, embedded technology, RF & microwave components

4. **Mechanical Transmissions**
   Bearings, pillow blocks, rod ends, slewing rings, bushings, chains, gears, pinions, couplings, locking assemblies, gearmotors, pulleys, belts, conveyor belts, etc.

5. **Seals, Rubber & Hoses**
   Oil seals, O-rings, hydraulic/pneumatic gaskets, anti-vibration mounts, bellows, diaphragms, rubber/PVC/SS hoses, spiral hoses, etc.

6. **Hydraulic & Pneumatic Components**
   Fittings, valves, solenoid valves, cylinders, pumps, mechanical jacks

7. **Tooling, Fasteners & Hardware**
   Hand/electric/pneumatic tools, taps, dies, anchors, cable ties, chemical anchors, screws, nuts, bolts, washers, circlips, keys

8. **Abrasives & Welding Materials**
   Bonded & flexible abrasives (discs, wheels, burrs, cloth), electrodes, welding wire, cutting torches, handles

9. **Safety & Personal Protective Equipment**
   Personal protective equipment (PPE) and technical workwear

10. **Lifting, Logistics & Measuring Instruments**
    Tie rods, wire ropes, pallet jacks, wheels, hoists, packaging, filters, pressure gauges, thermometers, dial indicators, micrometers, calipers

N.B. Strategic "No-Catalog" Approach: based on targeted global market research and tailor-made solutions structured for specific client needs. The product categories listed above represent areas with high movement, but our offer si virtualy unlimited, covering any industrial or chemical item required to support international supply chains.
